Laura de Santillana and Alessandro Diaz de Santillana Artists Talk: 13.08.15 / 19.00 / £8

Internationally renowned, Venice-based artists Laura de Santillana and Alessandro Diaz de Santillana are descendants of the Venini glassware dynasty, established by Paolo Venini on the island of Murano in 1921. Throughout summer, they bring their elegant sculptural forms and colourful glass paintings to YSP's refurbished 18th century chapel.

Join us for a rare opportunity to hear the artists talk about their current exhibition and influences.
